Campers are treated to healthy snacks and lunches, music, crafts, games, Bible Study, and fun-filled play in safe green spaces throughout the week. Sponsor churches include Farmington United Methodist, First Presbyterian, St. John's Lutheran, Victor United Methodist, St. Patrick's, and Willowbrook.***

*What is Maggie's Camp?*

*Maggie's Camp is a Christian day camp held every summer for Rochester inner city children ages 3-17. It is a part of Community Lutheran Ministries. Maggie Harris has been running this camp in addition to after-school programs for many years. An important part of this day camp is for suburban churches to host the children in a safe, green environment so the children are exposed to the love of Christ in different areas around Rochester. This is a unique opportunity to engage youth from different economic backgrounds, to create friendships, to foster understanding, and to initiate change that can eliminate inequity.*

For the 13<sup>th</sup> consecutive year, Maggie's Kid's Camp is coming to Victor! From July 8-12 up to 150 children per day, ages 3 to 17, will be exposed to the Christian spirit in our community. Working together, we will be able to provide vacation bible study, crafts, games, music, and fun-filled green spaces for the children to play. And lots and lots of food! This important mission work has been successful in previous years due to the generous monetary donations, in-kind donations, and dedicated volunteer time from all of the Victor/Farmington area congregations. We need your help again this year.

The annual budget for the camp is \$2,200. **We are asking each congregation to consider a monetary donation today to cover expenses that cannot be donated.** These expenses include park rental fees and food expenses. If you have any questions, or would like to get involved today in a leadership capacity, please let me know. I look forward to hearing back from you. Thank you!

## **Victor/Farmington Week**

### **Overview**

Miss Maggie (Maggie D. Harris) operates Community Lutheran Ministry on Joseph Avenue in the city of Rochester. Her year-round ministry is solely focused on the children of the 14621 zip code, currently one of the most impoverished and crime-ridden areas of our city. Every summer Miss Maggie runs a state accredited six-week camp for up to 150 children ages 3 to 17. For more information about Miss Maggie's ministry, you can visit [www.communitylutheranministry.org](http://www.communitylutheranministry.org)

**For the last 13 years, local Victor and Farmington churches have come together to sponsor the campers in our community for a full week. The children and their counselors arrive by bus in the morning, and various fun activities, healthy meals, and trips to local parks are provided for the children.**

This year the Victor camp is being held July 8<sup>th</sup> -12<sup>th</sup>. The children will be provided with two healthy meals and a snack every day. Trips are already planned to Onanda Park, Victor Municipal Park, Lollypop Farm, Egypt Park and the Geneva spray park. A camp of this magnitude requires many resources, and the planning committee is grateful for any support that local businesses/ churches can provide to help us support these deserving children.
